FROM THE PRESIDENT – Maye’s Notes:

Brothers and Sisters of Square Dancing, can you spare a time? Preparations are well underway for our 2011 Festival in Lebanon, MO. The one thing we very much need is volunteers to work at the sign-in table, both Friday and Saturday. We are enclosing a festival schedule in this newsletter. Can you take a look and spare an hour to help? No experience is required; just bring a smile and a helpful attitude. If you wish to volunteer, drop us a note with your registration; or e-mail us at HASSDA.Festival@yahoo.com.

A big welcome to Curtis Northrop, our new Kansas Coordinator! His idea to set up an info table and computer pictorial display of our 2010 Festival was a BIG HIT at the Fall Festival in Wichita. Look for his display January 23 at the KSDA January Meeting and Dance in Salina, KS (dance 3:30 to 6:00 PM ~ Lanny Weakland, Caller/Cuer)

It is time to think about the election of new HASSDA officers. Please consider giving of your time and talents to keep this great organization going! If you are willing to serve in any capacity, please let a Board member or an area coordinator know. (See contact info on front of Newsletter)

Also, we have a proposed Festival By-law Change in this Issue (See article, page 8). Please attend the General Membership meeting (Saturday, April 16 ~ 4:30 PM in Hall C) in Lebanon and vote.

See you in a Square!

Maye

2011 FESTIVAL CALLER PROFILES

by Linda Curran

JOE SALTEL

Joe's introduction to square dance calling came at the tender age of eight, when his grandfather helped him in learning his first few singing calls. Joe has been actively calling and teaching Basic through A-2 since 1971, and recently began calling C-1. He has been a featured caller for many festivals, conventions, and special dances in over 39 states, Canada, Denmark, England, Germany, Japan, Mexico, New Zealand and Sweden.

Joe and his wife Chris married in 1982; and they have led eight successful tours/cruises to Alaska, the Caribbean, and Mexico.

Chris held a managerial position for 19 years and has always supported Joe's calling career. Their daughter, Tanya, 26 years old, is an accomplished vocalist and has appeared on some of Joe's CD's. In 2001, they relocated from their home on the Northern California coast to South Texas.

Joe and Chris spend November through April running a full square dance program, Beginners through C-1, in Pharr/McAllen, which is in the Rio Grande Valley of Texas, considered "The Square Dance Capital of the World." The remaining months they maintain a smaller program and tour and travel both domestically and internationally to call at festivals and special dance events.

Joe enjoys what he calls his vocation and avocation, and feels fortunate to be part of this great activity.

HUNTER KELLER

Hunter had been around square dancing all of his life, having been dragged from dance to dance by his grandparents and parents. He met and became friends with many national callers with whom he is still friends today. After the death of his grandfather, his hero, in 2002, Hunter decided that he wanted to do something that would always remind him of his grandfather. He decided to start taking square dance lessons in 2004. A mere four months later he picked up a microphone and began calling.

He is now the caller for three clubs, the 59ers, the Magic Diamonds, and in 2008 revived his grandfather's old club, the Checkerboard Squares. Hunter also dances with three other clubs in Billings and the surrounding areas. He called his first festival in July of 2007 in California.

In 2008, Hunter was honored with a chance to become a recording artist for Royal Records. He recorded his first song, *Wild Horses*, in October of 2008.

Hunter is a ten-year 4-H alumni and an active 4-H leader. Hunter credits everything he has learned throughout the past 10 years to 4-H and says that, if it were not for that program, he would not be where he is today. A Big-Sky native, Hunter resides in Billings MT with his mother, father, brother and grandmother.

VOLUNTEER OPPORTUNITIES TO BE HAD AT THE FESTIVAL

by Jim Faurote

Wanted: a posse of friendly, cheerful volunteers during the HASSDA Festival. We are not looking for a lengthy, time-consuming commitment, just an hour or two during the Festival Weekend. As an esteemed volunteer, you could be manning the front registration table and checking people in, especially on Friday and during the day Saturday. You could also be managing the door-prize table, selling raffle tickets, and a few other tasks. In short, it would not be anything strenuous; and it would give you a chance to meet and talk to other HASSDA members. Furthermore, we have a schedule inside this newsletter so that you can determine the time-slot when you want to lend your services. We are looking for a one- or two-hour timeframe. That way we don't keep you off the dance floor or away from shopping for too long.

MEET OUR NEW KANSAS COORDINATOR – CURTIS NORTHROP

by Jim Faurote

Curtis has been square dancing for almost three decades now. He took square dance lessons, taught by Mike Turner, during the Fall of 1981 with the Sunflower Swingles. At that time, the Sunflower Swingles were the oldest singles club in the state of Kansas. He quickly became further involved in square dancing by attending his first HASSDA Festival in the Spring of 1982, which he greatly enjoyed. Since then, he has attended over 10 other HASSDA Festivals.

Curtis currently belongs to the Circle 8 Square Dance Club based in Newton, KS. It was one of the few clubs that would let his children join after they took lessons. His father started square dancing after his mother passed away. Curtis and his father, Charles Northrop, have attended the last several festivals together. Curtis very much enjoys dancing in the same square as his dad and shocking people when they learn that they are father and son. He also has one special memory of dancing with his daughter, dad, great-aunt and great-uncle (four generations!) in the same square.

Curtis' dad, from Towanda, KS, and cousin, Lloyd Northrop, from Lawrence, KS, are also HASSDA members.

LETTER FROM NEBRASKA STATE SQUARE DANCE CONVENTION

by Jim and Cathy Bellinger

Nebraska held its Annual State Convention on September 17 and 18 in Hastings, Nebraska. The theme was "Dancin' in a Winter Wonderland" and the caller was Gary Shoemake from Sevierville, TN. The cuers were Warren and Jeanne Shane from Junction City, KS.

It was a great dance, with around 400 people in attendance. We spotted several "solo" ribbons over the weekend being worn by single dancers, so we know the single dancers were well represented.

Again this year, for the second year in a row, we had a square dance competition just for fun. Since our surprising response last year (8 squares), it was decided to hold it in the larger hall at 1:30 in the afternoon. This year, we had 10 squares competing, and the dancers in the winning square were able to sport badges that evening that simply said "Last Square Standing." Gary Shoemake did the calling for the square dance competition, with only Mainstream calls. It was amazing how he could call just Mainstream and good dancers would just screw up; and then their square was OUT! In just a short time we got down to the last square and had our winners.

Although we had featured cuers and a featured caller, many other callers from Nebraska and Kansas helped out in other halls to make this weekend especially fun and enjoyable for all that attended. I would also like to mention that we had over 100 dancers come from Kansas. We have a banner exchange at each State Festival with Kansas. The Kansans are great about supporting our festival in September, and we try to do our best to get a large number of dancers from the Cornhusker State to attend their festival in June.

WOULD YOU RATHER HAVE YOUR NEWSLETTER ELECTRONICALLY?

With the ability to post and send printed material on the internet, many square dance organizations have gone to emailing their newsletters. HASSDA is no exception. If you would prefer to receive your newsletter by email, please notify Jim Faurote at cattleya526@gmail.com. By choosing to receive the newsletter by email, you will be helping us cut expenses.

LETTER FROM THE MISSOURI STATE SQUARE DANCE FESTIVAL

by Louise Coleman

I was asked by Maye if I would write something about the Missouri State Square Dance Festival for the next HASSDA Newsletter. I am not a writer or reporter by any stretch of the imagination, but I promised to try.

I attended the Festival in Lebanon, MO, on the 15 and 16th of October. I had two single ladies riding down with me, and we took our time getting there as the weather was absolutely gorgeous! We arrived into Lebanon about 4:00 p.m. on that Friday afternoon, checked into our room at the Super 8, where we ran into several other dancers from the Kansas City area and from the Crosstrailer Square Dance club, the club that I was representing at the State dance.

We had a good time Friday night. We danced a lot, checked out the vendors and their wares, and greeted friends old and new as they arrived. The size of the crowd was a bit disappointing Friday night and I assured my friends that it would pick up on Saturday. Both ladies with me had danced in the past and have just started again in the last year but had never attended a Missouri State Festival. None of us had partners; but luckily, I can dance the lead part and one of the other women in our Crosstrailers club can too. Thus we were able to dance just about every tip. We stayed until the evening was over and then walked out without coats to an unseasonably-warm and star-filled mid-October night.

Saturday morning we went to a round dance workshop which was very well-attended. We ran into a friend from Swingin' Singles of Shawnee, KS; and he asked me to dance in the Plus hall. When you're single, you don't turn down a chance to dance. Needless to say, I didn't stay in the round dance hall for long. I had a great time, but my friends aren't doing plus yet, so I think they were a bit disappointed. I could not believe that there was no Mainstream dancing Saturday. We went out to lunch; and when we returned, the Competition Dancing was well in progress. I don't remember who won but everyone seemed to be having a great time.

From 2:00 to 4:00 Lanny Weaklend conducted a square dance workshop that was well attended with a lot of fun calls. Then we had the dinner break at which time four of us ladies went out for Mexican food. I can highly recommend the Mexican restaurant that is near the Super 8. Then we changed into our square dance attire and off we went to dance some more.

The crowd had increased considerably and the evening started with the Opening Ceremonies and the Banner March. Later in the ceremony, I was quite excited when it was announced that my club's caller, Stan Brooke, had won State Square Dance Caller of the Year. Stan was also chosen Heart of America Federation's Caller of the Year in 2007. He is very deserving of these awards, and we are proud to have him calling for our club.

Lanny Weaklend was featured in the Mainstream hall from 8:00 to 9:30 and then in the Plus hall from 9:30 to 11:00. I had several people tell me what a great program Lanny put on, that they really had a good time dancing to him. One man told me that he had never danced to Lanny before, but he thought that he did a great job, and he would travel to dance to him again. All in all, it was a fantastic weekend. The only thing I would change is to add Mainstream dancing on Saturday during the day.

I look forward to seeing all HASSDA members at our next Festival in April with or without partners. Please don't stay home because you don't have a partner; this defeats the purpose of a "singles" activity. If some of us brave it without a partner, the word will get around and more single dancers will come.

Put on your happy faces and dancing shoes, get out to a dance tonight and keep dancing on down to Lebanon.

ABOUT CALLERS....

by Chris Wildhagen

Many dancers don't know how to deal with callers. Here are a few things I feel may help.

1. Be respectful of callers as you are of fellow dancers.
2. If you do not understand a call, ask the caller between tips for clarification. A good caller sees the dancer's failure as his or her own and is more than willing to help.
3. The dancers hired the caller so be a good employer. Let the caller know what you want. Club officers represent the dancers and should reflect the dancers' wishes. Tell the caller if he is calling too fast or too slow. Let him know if the sound is poor. Always tell a caller if you have new dancers on the floor.
4. Support your local callers. Without the hard work of our local talent there would be no dances.

At the Festival in Lebanon we will enjoy the calling of 3 professional callers. They will know how to set the sound so we all hear the calls. Most of all they know how to read the floor, within a few minutes of dancing they understand the dancers' abilities. They are able to adjust the program up or down, faster or slower; and most of us will never know what happened.

See you in Lebanon!

Editor's Note: Chris is the caller for St. Joe Squares in his hometown of St. Joseph, MO, and also the Riverbend Promenaders in Atchison, KS, where he has also taught several classes of new square dancers.
