

Heart of America Singles Square Dance Association July 2018

President's Message: Maye Wegner

Hi All, hope you enjoyed the Festival in Claremore as much as I did. So good to see all the dancers, and our calling and cueing staff were excellent. Who remembers Andy Allemao and Dan Sahlstrom round dancing on Sunday morning? Where was my camera when I needed it???

As with everything changes is a part of life. Our HASSDA Board is experiencing changes and I would like to thank those who are retiring from the Board as well as their replacements. I want to say a special THANK YOU to Louise Coleman. As newsletter editor for the last four years, she has kept the Board and the State Coordinators on track. Putting out a Newsletter full of timely information for solo dancers. Great job Louise!

THANK YOU to Vicky Zeller, secretary for keeping accurate minutes for HASSDA meetings for the past five years. In addition, she has kept schedules of workers to make sure all positions were covered as needed. (No easy task!)

A HUGE THANK YOU goes out to Dee Proctor, treasurer for HASSDA since 2013. Dee is a great promoter of square dancing, she was instrumental in hosting the Midwest City and Claremore, Oklahoma HASSDA festivals. Dee has given up her time on the dance floor to ensure the monies are safe and the accounts are balanced.

I will miss these three ladies serving on the board. They have provided many a smile and deserve kudos from all of us for a job well done.

HASSDA is fortunate to have members willing to serve. So many organizations are folding because no one wants to hold office.

Our new officers are Kathy Mears (treasurer) Michelle Dolan (newsletter editor) and Marla Doxey (secretary). We thank these ladies for stepping up. You can get to know them better by reading their bios with pictures in this newsletter. I would also like to thank Kelly Bockover for continuing to serve as vice-president and festival chairman. Kelly is the one that makes everything run smoothly and keeps me in the line to not forget the little details that make a festival "Rock!". Last but not least, I would like to thank Carol Hershey who dedicates more time to HASSDA than anyone else. She makes sure our Facebook page is up to date and has all the latest information for not only HASSDA but other festivals and dancers. She is our technology guru and keeps us out of cyberspace purgatory. She captures memories to share in the history albums that we all enjoy reminiscing through at the festivals.

I am honored to serve as your president again this coming year. I look forward to another great festival in the beautiful K-State Union Ballroom and my feet are looking forward to the wonderful hardwood floors to dance on! We have a great staff with Mike Hogan, Justin Russell, Hunter Keller and Carolyn Ahart to keep you stepping to the music. We are a little later this year so we can be between the summer school session and the beginning of fall classes...we will have the campus to ourselves July 26-28, 2019!

Looking for you in my travels to promote HASSDA!
Maye

Vice-President's Message: Kelly Bockover

Hello. Well another year and another great festival. I hope that all the dancers that made it to Claremore, OK had a great time. We could not have asked for better weather and for more energetic callers and cuer. A really big thanks to Andy Allemao, Shane Greer, Dan Sahlstrom and Jim Couey for keeping us all on our feet and dancing.

I would like to thank the members who attended the General Membership Meeting, and all of the great ideas and suggestions that came from it. As board members, it is always our intent to work toward what the members want. I appreciate the nominations made and am happy to continue serving as Vice-President for another year. I would also like to say that it has been a pleasure working with the board members that are stepping down this year. Dee, Louise and Vicky have all been wonderful to work with and it has been an honor to get to know each of them. I look forward to seeing them out dancing at future festivals.

I am also looking forward to working with the new board members that have stepped up to fill the open positions on the board. As Maye stated above, it is great that we have members that are willing to take a position on the board, as I have been on several boards that positions cannot get filled and the additional duties have to be covered by other board members. Thank you to Kathy, Michelle and Marla for accepting the positions and I look forward to working with and getting to know each of you even better.

I hope to see most of our members (if not all), as well as a great number of new members at the 2019 festival. We have another great line-up of callers and curers to dance to, as well as a wonderful venue. Looking forward to another great year!

Newsletter Editor: Louise Coleman **HASSDA-Newsletter@WeSquareDance.com**

It is time for another Newsletter. It is with mixed feeling that I sit down to write this as it will be my last time as your HASSDA Newsletter Editor. I put my first letter out 4 years ago. It has truly been a pleasure writing this Newsletter for *The Heart of America Singles Square Dance Association* and I will miss it. The very best parts were working with the Board Members of this Association, they are truly the best group to work with. The other “best part” was getting to know so many people from all over the Country. I have found that you get lots of hugs in this job!

The 2018 Festival was great as always. I had a gentleman that had just finished lessons go down to Claremore with me. As you can imagine, this was a very new experience for him. We arrived on Thur. afternoon and walked into the convention hall and I had been hugged at least 15 times in the first 5 minutes in the door. He was astounded and said how many people do you know, you must know everybody! When you are involved with these organizations, people recognize you even if they don't actually know you. Besides, Square Dancers are among the best Huggers ever! I have had some health problems this last year and decided it is time for me to cut back on my activities, furthermore, my computer skills are minimal. I honestly could not have put out this publication without the help of some of the other board members.

We had a very enthusiastic younger lady, Michelle Dolan volunteer to do the Newsletter at our General Meeting and I know she will do a super job. Please keep in mind this is a publication for the members of the HASSDA organization and it should always include information from the members to keep it interesting and informative.

Hugs, Louise

Secretary: Vicky Zeller

in a square soon.

Thank you HASDA members for allowing me to be on the board as secretary for the last five years. It was great to see everyone at the festival in April. Please help get more dancers to the next festival in Manhattan, KS. Remember a great way to spread the word is to tell the dancers in your square when you are out dancing. I am recovering from my knee replacement and hope to be back dancing soon. See you

Treasurer: Dee Proctor

We wish Dee the very best with her back procedure, I know the HASSDA dancers will miss her at the registration table. Thanks Dee for doing such a great job as our Treasurer.

Historian: Carol Hershey

This has and will be a year of good dancing in the Midwest. HASSDA kicked off the season with three high energy callers and a great cuer. What a weekend! Dancing in all three halls and all levels of dance.

There are many Trail dances coming up for the Nationals, with many wonderful callers calling in OUR Midwest area. What a wonderful opportunity to dance to different styles of calling and learn a new way of doing the always changing square dance, HEX, clogging, contra, line and round dance. I am your Historian one more year. Thanks for the opportunity to serve you again. See you in a square.

Carol Hershey.

FYI: If you attended the Festival, you probably have a picture on Facebook. If you haven't had an opportunity to take a look you need to go to Heart of America Singles Square Dance Association (<https://www.facebook.com/Heart-of-America-Singles-Square-Dance-Association-1533822783569979/>) I will be sending Dan Wheeler pictures to post on the HASSDA website, so keep a look out there also.

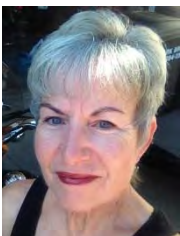

2019 and 2020 Festival will be in Manhattan, Kansas so you can put them on your calendar also. 40th HASSDA Festival is July 26-27, 2019 and the 41st HASSDA Festival is July 24-25, 2020. Plans are being made for these festivals now.

The **Website** for HASSDA is: www.HASSDA.WeSquareDance.com Festival information, newsletters, pictures thru 2018, etc., lots of information. See you in a square!

NEW OFFICERS IN 2018

New Secretary: Marla Doxey

I was born and raised on a farm near Fairfax, SD. Upon graduating high school, I enlisted in the US Air Force and spent the first 3 1/2 years as a diesel mechanic at Tinker Air Force Base in Oklahoma. The next 2 1/2 years I was a weather observer at Wright Patterson AFB in Ohio. During this time, I married Tim Doxey. Shortly after my enlistment was up, I went to work for the National Weather Service in Youngstown, Ohio as a weather observer. A year later we were blessed with healthy twin boys, Jeremiah and Matthew. For the next 36 years I worked for the National Weather Service at offices in

Mansfield, Ohio, Omaha and Hastings, Nebraska. I became a single parent when the boys were 4 and they learned

holidays were not always celebrated on "the" day as I worked different shifts on weekends and holidays. Weather does not take a break.

My career with the National Weather Service progressed from Weather Observer, to Official in Charge, to my final position of Data Acquisition Program Manager at the office in Hastings, Nebraska. I was at that office for over 20 years, longer than anywhere else I had been stationed. My boys graduated there and now work for a steel company in Oklahoma City, which is ironic as that is where my first permanent duty base with the Air Force was. I have one granddaughter, Brooklynn. She is a wonderful young lady and becoming quite the artist.

In early January of 2017, I retired from the National Weather Service and eventually landed near Liberty, MO. I was familiar with the Kansas City area as Central Region Headquarters and the National Weather Service Training Center are based here.

Betty Dickenson, a former weather service employee and longtime friend suggested I might like square dancing. She made arrangements for me to take lessons with Lynn Nelson and now here I am, a year later, square dancing with all you wonderful people. It is just as terrific as Betty said it would be.

Treasurer: Kathy Mears

Hi Dancers!

I'm your new "old" HASSDA treasurer. I had the job a few years ago and when I needed a break, Dee Proctor took over (gotta love that crazy Oklahoma girl!). Now Dee needs a break, so I'm back in it again. I'm from Lawrence, KS and have square and round danced for 18 years continuously, although I first started in the early 1980s. I belong to the Happy Times Squares club here in town and also dance at other clubs, usually within a 90-mile radius.

Many thanks to Dee, Louise and Vicky for their years of service to the HASSDA Board; you along with Maye, Kelly and Carol have done an outstanding job of making this festival the excellent event that it is.

Looking forward to Manhattan next summer!

See you on the dance floor,
Kathy Mears

Newsletter Editor: Michelle Dolan

Hello! I am so glad to be a part of HASSDA! What a great time I had at the Claremore dance, and looking forward to many more! I also enjoyed the Nationals very much, I think in part to that "Ask me to Dance" ribbon I was wearing and the area to find other singles... (Thank you HASSDA). I am what you might call a second-generation dancer, daughter of two square dancers, and was thankful that they also drug me and my two brothers along to learn when we were teenagers. However, I'm sad to say I didn't dance for thirty years after that, but I always remembered how much fun I had, so took lessons and started up again not even four years ago. By day I am an Elementary Music teacher in Verdigris, Oklahoma (right by Claremore). By night I am a single mom of three children...two daughters grown and in college, and a son who starts high school this next fall. I dance mainstream and plus and am also learning how to be a caller! And yes...I teach square dancing and contra at school! I love to sing southern gospel, country and bluegrass, and enjoy playing several instruments like piano and banjo. I love to quilt, sew, garden, and have recently started up a screen printing business.

If I had anything to say about square dancing, it would be two things: First, let's get people dancing! Let's invite our families, neighbors, co-workers, church members, and everyone else we can think of to come and take lessons. Have a card or flyer ready to give them. Most who try it, love it, but we got to get them there! Second, let's keep people dancing. Let's make sure that we show people what fun it can be, and make everyone feel included, including the single dancers. At HASSDA and other single dances, this is not a problem, but the reality is many clubs are "married clubs." If I could give

a suggestion, it would be that married or partnered couples give at least one tip per night to someone without a partner, then we would help those single dancers keep dancing. Another suggestion would be to contact those people who have fallen out of dancing. Let's make sure they know they are missed! Okay, that was my rant.... just some ideas I have so you know where I am coming from! Maybe you have ideas, too that you could try to keep people dancing! Whatever small gesture you make will help, and if we all try something, it really does make a difference! Let's keep square dancing alive!!!
