Mix and Mingle!!!

Heart of America Singles Square Dance Association (HASSDA) has our focus on solos dancing! In the past to encourage solo dancers to dance with many different partners we have given a **free registration to the person that dances with the most partners**. (Each tip counts as 1 partner. Each partner may only be counted once per day.)

HASSDA will continue to do the dances with the most partners and give away a free registration to next year's festival, AND we are *going one step further!* To encourage even more mix and mingling amongst Solo Dancers (OR couples if they want to dance as a solo during the festival), we will be offering a **free admission to Sunday's Trail Out Gospel Dance to all dancers that have at least 19 different partners on Saturday**. (Remember only 1 partner per tip!)

DON'T FORGET TO PICK UP DANCE CARDS AT THE REGISTRATION DESK as we will be keeping track and you will have to turn them in for your free admission on Sunday!

Join the FUN of MIXER TIPS in the **Smoothie Hall** for the first hour each evening! Meet other dancers and ask them to dance later and increase your chances to win the "*dances with the most partners*" or free admission to Sunday morning's Gospel Dance!

Press Release

Video Production

July 15, 2019

The CALLERLAB Foundation Board of Directors has approved funding a professional video production of square dancing at the Heart of America Singles Square Dance Association (HASSDA) Convention to be held at the Kansas State Student Union Ballroom in Manhattan, KS on July 26-27, 2019. This event was chosen due to the beautiful event center, the festival atmosphere of over 300 dancers in attendance along with three youthful callers. Sleight Advertising from Omaha, Nebraska will produce videos which will include videoing from a drone and interviews with various dancers attending. These videos will be used to create a 30 second television commercial, a two minute website video and two non-audible media videos.

These videos will be shared with various clubs and organizations to help with recruiting new dancers and educating people on the fun and health benefits of square dancing.
