What a nice crowd we had for our 50s dance. There were 11 members and 71 visitors representing 10 visiting clubs. The Wheel n Dealers retrieved their banner and the Silver Shoes stole ours. Harpers Hoppers repaid a visit and we owe 3 others. We're going to be really busy for a while. There were all kinds of poodle skirts, bobby socks, turned up collars, letter sweaters - why even James Dean stopped by for the evening.

Our Mike Sikorsky dance was quite a success. There was a good turn out and Mike called his usual fun dance. Thanks to those who attended and especially to those who helped in any way. The hall worked out well and we will be using this hall in the future when Gashland is unavailable.

Don't forget our costume dance with Larry Dudgeon joining me at the mic Halloween night at 1st Baptist Church of KC. Because this is a week night, we must take down and set up the day care that also uses the hall so extra help would be much appreciated.

In the past we have given passes to our dance to a visitor of our club dance and on occasion at dances where we were visitors. We have never put any kind of expiration date on the passes, however recently we have been presented with passes that were issued many years ago. In fact, one pass that came in last month was issued before I began to call when the club still danced at Stribling Hall (at least 12 years ago). For that reason, I have decided to put a notice in Fed Facts that passes issued prior to our move to Gashland UMC will no longer be honored. We will also be putting a 3 year expiration on all future passes.

I haven't heard from anyone regarding the trip next summer to Johnson, NE either pro or con. Are you interested?

The Missouri State Convention in Jefferson City is now a memory. All of us who attended had a great time. It was very well organized and the facilities were very nice - all hard wood floors. Next year the NW district, which we are a member of, will be hosting the convention. The location is Ray-Pec High School and the featured caller will be our good friend Jerry Junck. I hope you will put it on your schedules now and plan to be there in force.

* Repay a visit

You've done a fantastic job of repaying our visits. Special thanks to those who made the visit to the Sunflowers while so many of us were in Jefferson City. We have been able to repay every visit that was scheduled. If we continue, we will only be behind 2 visits by the end of the month. It's a great problem to have and it makes me proud to know that other clubs choose to visit us whether they owe us a visit or not. That speaks well for our members and the great job you do making our visitors feel welcome and seeing that they have a good time. Keep up the good work!!

After our 50s dance we had a brief meeting to discuss our options for our March dance. Since the Federation dance will be in competition with our regular dance night, it was decided to cancel our March dance. This will give us all a chance to attend the Federation Festival on both nights.

Our November dance gives us a chance to be thankful for our many blessings, but specifically for our vets. We will honor past and present veterans on this night. You might consider wearing red, white and blue. Your usual finger foods will be wonderful, I'm sure. Maybe they, too, could follow a red, white and blue theme.

Happy Thanksgiving!!

Holiday Party

Carol Hershey has once again graciously offered her home for our holiday party. The date we have chosen is Sunday, December 7th. Because this is the same day as the Fed Meeting, we will begin to gather at Carol's around 4pm and plan to eat about 5. Please plan to bring a covered dish to share. Meat will be provided. There will be an ornament exchange with a \$5 limit. Hope you can all attend.
