

Lugenbeel Shufflers

The Lugenbeel Shufflers was a round dance club that danced north of the river. Mary and Warren Lugenbeel were the cuers for the club.

They danced from 1971 to the middle of 1976.

The Lugenbeels are still very active in square dancing. They also are the owners of Westridge Engravers, and make many of the badges that all square dancers wear.
