**CALLERLAB
ACCREDITED
CALLER COACH**

Jerry Junck

Looking to improve
your calling abilities,
and increase your
knowledge?

Then
**HEART
OF AMERICA
CALLERS SCHOOL**
is for you!!!

The school is designed to
provide a complete
CALLERLAB curriculum
with daily hands on
instruction by an
experienced and
Accredited Caller Coach.

Our goal is to provide
plenty of microphone
time to put the
instruction into practice.

The School:

The **Heart Of America Caller's School** began in 1991, the same time I became and Accredited CALLERLAB Caller Coach. Since then, there has been a HOA school in all but four of the past 32 years. More than 350 callers have attended the school during that time.

The school provides a training program uniquely designed to fit every caller's need. The program combines expert classroom presentations and plenty of "on mic" time for each student. I take pride in providing quality instruction for the new, or beginning caller. The school also provides training and exercises designed to enhance the knowledge of those callers wishing to expand their current level of expertise. Whether experienced, or just starting out, the instruction will be tailored for each student, at their level of expertise. Bottom line, the **Heart Of America Caller's School** is for **YOU.**

**Enrollment is limited,
please register early!**

The cost of the school will be \$400.00.00 per student; no additional charge for partners who are encouraged to attend. Tuition covers the full cost of the program and the printed syllabus. A \$50.00 discount is offered to those callers having previously attended a **Heart Of America Caller's School**. The fee does not include lodging or meals. Upon receipt of your application and a \$50.00 deposit (fully refundable before May 15, 2023. you will be provided information as to what to wear, what to bring, the daily schedule, directions to the facility and hotel, and how to prepare in order to get the most out of the school.
