

KANSAS STATE SQUARE DANCE CALLERS ASSOCIATION
BIDS FOR SOUND AT 2010 STATE CONVENTION
KSDCA.WeSquareDance.com

Members of KSDCA:

We are requesting sound bids for the upcoming Kansas State Square Dance Convention. You may bid specific equipment for specific halls or bid "any" hall and we will determine where your bid and equipment will work best. Equipment quality supersedes a lower \$ bid. Identical bids will be determined first by equal distribution (1 member bids 2 halls and 1 member bids 1 hall and there are only 2 halls then each would get 1 hall) then by drawing. Possible use of hall is indicated but not guaranteed. This could change at the January meeting.

Minimum Equipment:

1 Turntable.
1 150W Amp or larger.
1 Speaker with stand.
1 Microphone with Hilton large base mic connector and cord (large base is like EV257, small base is like EV635).

One 1/8" Line Level Input with stereo plug for use by Laptops or other electronic device.
1 Additional 120vac outlet for Laptop, MP3 player etc.
Instructions for MCs in using equipment are required, such as how to plug in a laptop and select the input.

MAIN ARENA (Plus Fri Night/MS Sat Night): _____ **Bid amount: \$** _____
Additional Equipment to the minimum: 3 additional Speakers (minimum 3 full Yaks) or a drawing proposal. Large enough amp(s) to sound a large arena. Equipment Bid:

SOUTH HERITAGE HALL: (this will probably be 1/2 hall on Friday and two 1/4 halls on Saturday. You can bid one or both nights, however, if one person bids both nights, they would get the bid over one person bidding one night.)
This is a 1/2 hall. One additional speaker is required to project sound in opposite directions. This is the long hall. Equipment Bid: _____ **Bid amount: \$** _____

NORTHWEST HERITAGE HALL: TBD _____ **Bid amount: \$** _____
This is a 1/4 hall. Equipment Bid: _____

NORTHEAST HERITAGE HALL: TBD _____ **Bid amount: \$** _____
This is a 1/4 hall. Equipment Bid: _____

Any Hall: _____ **Bid amount: \$** _____
Equipment Bid: _____

We will try to get the 1/4 halls set up with the stage in the corners back to back with each other. If we don't get that, then you will need 2 speakers in each hall. We had trouble last year hearing due to the stage arrangement I think.

Print Your Name: _____

Signature: _____ **Date:** _____

Completed bids should be mailed or emailed to Bob Tucker, 2550 Egret Flight Ct., Park City, KS, 67219 to arrive prior to the January meeting or you may bring it to the meeting. The board will determine winning bids at the January meeting and recipients will be notified by email or mail.

Additional Comments (use back if needed): _____
