

Intro to square dance calling– Part 2

TRINITY PRESBYTERIAN CHURCH,
4746 SW 21st STREET, TOPEKA, KS

SATURDAY, JULY 26, 2025
10 am to 5 pm

Come and learn what a square dance caller has to know to be able to teach dancers, create choreography, entertain and ways to develop as a square dance caller. Attendees will not be required to call this date unless they wish to. This will be an informative clinic explaining terms, answering questions and sharing knowledge.

If you missed the first session, no problem. We will review everything discussed at the first meeting and present new materials. Our hope is to begin a monthly series of clinics geared to help those wishing to learn more about calling. Even if you have no interest in calling, we will need dancers to help.
