October 2019

### President

Kelly Bockover

### President Notes:

Well, another year gone by, and I feel like one of the best festivals to date. The 2019 HASSDA festival hosted over 400 dancers dancing to and having fun with an awesome caller and cuer line up. I would like to thank Mike Hogan, Hunter Keller, Justin Russell, and Carolyn Ahart for a fine time had by all. And a special thanks for the Elvis Night after party. I know that was a bit of work to get that put together but have heard nothing but good things about it.

It seems like I have many thanks to give out, so here it goes. First, I would like to thank the members that attended the General Meeting at the festival on Saturday, and for their vote of confidence that I am capable to work for our members as your new president. I plan on doing my best for you all. I would also like to thank Maye Wegner for staying on the board, but as vice-president. I am not sure that I have the knowledge she has and am so grateful that she will be there to give me a hand and straighten me out when needed, LOL. A big thanks as well to Marla Doxey, Kathy Mears and Carol Hershey for continuing their roles on the board for another year. Michelle Dolen decided to step down the board as the Newsletter Editor, but we thank her for the fine job she did in the past year. It was a real pleasure working with her. With that said, I would like to welcome the new member to the board. Donnell Welch was nominated and accepted the Newsletter Editor position for the upcoming year. I really look forward to working with her.

Well, I guess I had better wrap this up. I feel like this past festival was such a success because of not only the caller/cuer staff, but also for the personal word of mouth promoting, in big part by Jim Kempert and Judy Tumbleson for promoting on all the travel they did in this past year, thank you both. We would love to have just as successful festival in 2020 right back at the same venue in Manhattan KS, so we ask that all members get out an promote to help us achieve that goal.

Looking forward to seeing you in a square,

Kelly

**Vice-President**

Maye Wegner

Thank you to every dancer that attended the 2019 HASSDA Festival. At 435 it was the largest festival we have had for many years. If you were one of the dancers that had problems with the parking passes and had to use your charge card to leave the parking garage, please send me a copy of the charge showing K-State Parking and I will process the paperwork to get you reimbursed. We are so sorry that there were issues and will do what we can to solve them and get your money refunded. Next year the parking passes will be available online only. We will NOT be able to sell them at the door. Watch future newsletters for details and the link where parking passes can be purchased directly from K-State. As your past president and current vice-president, I want to thank everyone for their continued support and enthusiasm for the HASSDA program. The positive comments received make my heart swell with pride. A special thanks goes to Judy Tumbleson and Jim Kempert for their promotion of the Festival.

There is no better way to celebrate turning another year older than having HASSDA callers and dancers sing Happy Birthday. The line-up for next year is just as exciting. We have the King of HEX, Dan Sahlstrom, coming to do an extra session of HEX squares on Friday morning. From this year's response, HEX is the latest craze in square dancing. Jeff Holley is always an entertainer and full of new antics to keep the dancers entertained. That is the reason we bring him back! K.O. Jeanes is a new caller for HASSDA. Many of us remember him from the Texas Por' Boys. Entertaining, full of surprises, you will love his choreography and quick wit. Kansas' own Kevin Denning will be doing the rounds and lines. Give him a big HASSDA Welcome! Again, thank you for your support during my presidency. Kelly Bockover the new HASSDA president will continue the quality program and apply his new ideas to the leadership role. Welcome to Donnell Welch our new Newsletter Editor and thanks to Michelle Dolan for her filling that position last year. Thank you to Carol Hershey, Marla Doxey and Kathy Mears for agreeing to stay on in their positions as Historian, Secretary and Treasurer. The success of a great organization is the leadership and these ladies have shown great talent.

## Etiquette on the Dance Floor

A few problems and questions have arisen having to do with what proper dance etiquette is and what isn't. Now, I'll admit I'm not the Emily Post of square dancing, so I decided to ask some other dancers and a few callers to see what they thought about it.

One issue, which was discussed at the HASSDA General Meeting in July, was that of entering a square without a partner and then signaling that a partner is needed. This is not the same situation as one person entering a square first but with a partner already lined up to join it. Some solo dancers have been taught that this is inconsiderate, and some were taught that it's okay to do. The problem is that it holds up the dance, waiting for a partner who may or may not show up, when a "ready-to-go" couple could have that spot and get the tip going without delay. Most callers I spoke with find this very irritating since it interrupts the flow of the dance. If it occurs continuously throughout the dance, so much time is wasted that fewer tips can be called.

The consensus from the HASSDA group was that solos need to have partners established ahead of time for the next tip. Therefore, it's helpful to have an area for solos to congregate if they are looking for partners at any dance event, be it the home club or a festival/convention. At either event it can be difficult to find other single dancers in time, when the room is crowded, or you are visiting a club and aren't familiar with who the solo dancers are. There shouldn't be any stigma about this, it's just simply common-sense logistics.

And speaking of the term "solo dancer", it has nothing to do with marital status, dating, cohabitating, etc. It simply means a male or female dancer who doesn't have a dance partner for the next tip or for the current dance or for any dance event. It does not mean a solo dancer is necessarily trying to find someone to date or marry or lure away from a spouse. Some solos are married to non-dancers; and are NOT looking for romance.

Another issue that arose in a square that I was in at the HASSDA Festival, was "square jumping". This is when one dancer or couple leaves the square to "bump" someone out of a different square, who then go and bump other dancers and so on. This is a form of "mixer" that some dancers love to do because it can be very fun. However, it can create a few unintended problems. By leaving a square without arranging in advance for another person/couple to step right in to take your place, you have caused the square to abruptly break down for lack of a fourth couple. In the square I was in, no other couple ever came to fill in; we had to wait for the second half of the tip and hope a new couple would join us. It's not fair to assume that the rest of the square can continue with a "ghost" couple, which is very difficult for most dancers, and it was not the expectation of the remaining couples when they began the tip.

Perhaps square jumping should only occur (1) during special mixer tips, or (2) when the whole square knows in advance and can decide if they want to participate and the "jumping" or trading occurs between adjacent squares. Also, respect the callers by at least letting them know to expect it so they are not distracted and embarrassed on stage.

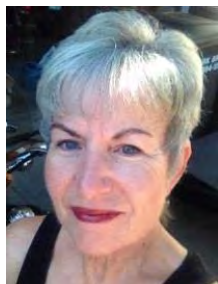

And one more thing to consider:

A caller's wife told me, "My husband has spent years and much time and effort honing his calling skills to make a dance entertaining for everyone. It's a bit hurtful to think that dancers aren't having enough fun, if they feel they have to create their own."

So, this should open discussion about these etiquette issues; tell us what you think! You can email me or call and leave your suggestions to be compiled and discussed at HASSDA board meetings and/or the general meeting next summer in Manhattan.

**Secretary**

LOOK FOR HASSDA MEMBERS BY THE DANGLE ON THEIR BADGES. ASK THEM HOW MANY FESTIVALS THEY HAVE ATTENDED? WHAT WOULD THEY LIKE TO SEE HAPPEN AT FUTURE FESTIVALS? SHARE THE IDEAS WITH A BOARD MEMBER!!! HASSDA LISTENS TO MEMBERS! THIS IS YOUR ORGANIZATION!

Marla Doxey  
[HASSDA-Secretary@WeSquareDance.com](mailto:HASSDA-Secretary@WeSquareDance.com)

Marla did a great job on the minutes from the general meeting in July! Ask your delegates for details.

\*\*\*\*\*ATTENTION: SOLO DANCER LOOKING FOR A PARTNER.

How do you go about getting a partner at a dance? Here are some tips for dancing a lot more tips:

1. Get there early. Many dancers plan their whole night of tips at the beginning.
2. Don't be afraid to ask. You never know until you ask.
3. Display your SOLO and levels of dance proudly! Badges, ribbons, and the like that tell everyone you need a partner and what levels and positions you can dance.
4. Be a good dancer and a good listener. You're more likely to be asked again if you prove yourself on the dance floor. The best way to be a top-notch dancer is to dance as often as you can.
5. Don't be shy: just be friendly and introduce yourself
6. Remember to have a partner before you get on the dance floor – don't take a spot that a ready couple could have filled. Take this time to ask someone for the next tip!

**Editor**

Donnell Welch

Well, I suppose that the editor doesn't necessarily spend too much time writing articles but rather checking for grammar and spelling typos. However, being as I am new to HASSDA as well as to the board, I thought it best to introduce myself so that you would know exactly who you voted into office. I started dancing in 1985 with Shawnee Swingers in Topeka, KS. After graduation I joined the largest of the singles groups in the city which was of course, Cap-Teen Squares, the kids club. I was president at one time but for the life of me I cannot remember exactly when. After an 8-year stint in Canada, I returned to Kansas and to dancing. I served one year as secretary to what is now the Blue district in Kansas. Three and a half years ago, my mother and I started our own club, Di-Don Squares, where she is the caller and I am the cuer for lines and rounds. This last July was my first time going to HASSDA and I had a blast! Dancing to Justin and Hunter was a new experience for me. The three callers certainly had a good rapport with each other and with the dancers! I am a huge fan of Mike Hogan and was excited to dance to him at the Kansas State Convention and then the HASSDA festival. He and I shared a package of Hostess cupcakes to celebrate our shared birthday.

I would love to have as much input from ALL the states as can be had. You can count on the board putting our articles in, but to make the newsletter truly a HASSDA publication; we need everyone! At the end of the newsletter is the list of our current representatives from each area. If you are interested in being a point of contact, please let them or the board know. We are truly the "heart of America" and we should pump the word out to all who will listen!
