

To access the schedules on your cell phone (Most common procedure):

1. Open the camera on your phone,
2. Point the phone camera toward the QR code for the schedule you want to open. One QR code at a time,
3. As soon as your camera finds the code, a QR button will appear. Press it,
4. A link to the schedule you want to open will appear. Press it (Some phones skip this step),
5. The schedule will appear.
6. Some phones use a different procedure,
7. Or use browser to access website: www.HASSDAFestival.WeSquareDance.com
