Constitution and Bylaws: Art Kruse: While getting ready for the July meeting, I discovered the copy of the Standing Rules I was using did not include some of the recent changes. I have researched the meeting minutes found on the Federation's website starting with October 2022 continuing through the April 2025 minutes. Updates have been made to the Standing Rules that were approved by the Missouri State Federation's Board of Directors.

An updated copy of the Standing Rules will be provided to the webmaster to post on the website.

Publications: No report. Dave Shafer asked if anyone would like to be chairman of the Publications Committee.

DOIN'S Editor: Edythe Weber reporting: REMINDER – PLEASE put the CLUB NAME FIRST in the subject line of your emails. Put anything else you want to include AFTER the club name. (Example: Ramblers: July-September article NOT Doin's July-September Ramblers.)

Our next deadline is August 15 for the October-November-December magazine.

If there are questions, please do not hesitate to contact me or anyone on the Doin's staff.

State Festival Site Screening: Cathy Hall reporting: The Festival Site Screening Committee (Cathy Hall, Art Kruse, Dave Shafer and Liz Rooks) in addition to representatives from the Southwest District (Catherine McLemore, Lee & Pam Gravitt, and Stan Plummer) toured Glendale Christian Church, at 2110 S. Blackman Road, Springfield, MO on Saturday, July 26 to assess its suitability as the site for the 2026 State Festival. It was the consensus of the committee this location/facility would suit our needs very well. The Doin's Dance and Federation Meeting will need to be held elsewhere as the church will need the spaces used for their Sunday activities.

Insurance Coordinator: Edythe Weber reporting. As of July 27, 2025, 963 dancers are insured through Missouri Federation and 236 dancers are insured through other federations for a total of 1,199 Missouri dancers in 39 clubs.

- The 2025 Insurance premium is \$6.00 per dancer. This premium covers members that join your club that do not have insurance anywhere else. There is no pro-rating insurance premiums.
- **Do not make checks out to "Edythe Weber"**, make them out to "Missouri Insurance".
- **Important:** If you need to communicate with me about insurance, PLEASE use the Missouri Federation Insurance email at moinurance@kc.rr.com . Do not send insurance info or email questions to the Doin's email address. It just delays communication.
- Please contact me first to get answers about insurance before going around me to Elizabeth Sanders, the USDA coordinator. If I don't know the answer, I will contact her. 95% of the time it's a quick answer.
- You should never delete a dancer from your roster after initial enrollment, even if they move or pass away.
- Remember to send me a roster of lesson names. There is no charge until they graduate.
- Don't forget to send me the new roster and appropriate funds when you add new members after initial enrollment, like after lessons or people who joined the club late.

- If you need additional information or have questions, please contact me. If I do not know the answer, I know who to contact to get it.

Financial Report: Beginning balance as of January 1, 2025, was \$221.91 total income January through June \$503.50 and expenses of \$531.00 resulting in a Net Income/Loss for this period of -\$27.50 leaving an ending balance on June 30, 2025, of \$194.41.

Blue Bird Coordinator: No report.

Webmaster: Dan Wheeler reporting: Both Edythe & I have mentioned this several times, but the information just doesn't seem to get out to people. So, please repeat this to your clubs - loudly.

When you send us information, tell us who you are and the club you belong to. You can blame it on my age (I'm not speaking for Edythe here) but I simply can't remember the club that goes with every name. And when you also leave off your name it can be a real puzzle; this actually happens. This is a particular problem when I get a text. Often all I have for identification is a phone number. I really don't remember the names & clubs that go with every one of your phone numbers.

I have started a new web page. It is a "Welcome" page to aim prospective dancers to. It is meant to draw prospective dancers in. It is intended to be simple and inviting. This is something I am not good at. I would appreciate suggestions of ways to make it simple and inviting.

Its address is: www.Welcome.SquareDanceMissouri.com. Its use would be to appear in print when you do anything that appears in print that is not specific to your club or a specific dance.

Newspaper articles
Handout flyers
Anything in print going to the public

Again, it is: www.Welcome.SquareDanceMissouri.com.

I have been posting quite a few pictures & videos, and they are not all from the North-west district. Quite a few of them are from the St. Louis Metro.

Pictures: www.Pictures.SquareDanceMissouri.com,

Videos: www.Videos.SquareDanceMissouri.com.

The state festival website is up to date although I expect there will be changes and additions: www.Festival.SquareDanceMissouri.com.

Now is not too early to send me your club's 2026 Schedule.

Historian: Dan Wheeler reporting: No report

License Plate: Catherine McLemore reporting: License plate renewals are due in July. Since our last meeting, 12 2-year renewal requests at \$50 and three 1-year renewals at \$25.00 have been received. Forty postage stamps costing \$29.20 were purchased. The current account balance is \$795.80.

USDA: Dave Shafer, Missouri Federation Delegate to the USDA meeting reporting: Edythe Weber was recognized for 31 years on the USDA Board and Dan Reedy was elected as the vice-president for the USDA Plains Region.

USDA Prescription Program has been cancelled.

Louise Tippett from St. Charles was recognized as a new member of the Centennial Club for being over 100 years of age and still dancing.

Caller Lab is working on a program policy revision for how lessons will be conducted with more specific information coming in the near future.

Edythe Weber reported USDA received a proposal from a generous donor who wants to establish a means of USDA being able to continue supporting and promoting youth square dancing in a variety of ways. The donor is willing to donate \$5,000 per year for this cause. This money would be in a Youth Dancing Fund Program which will be separate from the Federation scholarship program. Grants would be awarded in various amounts depending on financial need. The program would be administered by the USDA Youth Advisory Committee which was established during the meeting in Shreveport. Hopeful of having the program up and running in a short time frame. More information will be forthcoming.

ARTS: Edythe Weber reporting: No report at this time.

Three non-square dancing related vendors have been secured. A dinner will be served. Have verbal acceptances from the caller and cuer; will be finalizing those now that the venue has been selected and approved. The host hotel is the Hampton Inn at Battlefield and 65 Highway; Super 8 and Baymont Suites which are both in that same area also have rooms blocked.

Financial Analysis Ad hoc Committee: Merle Hall reporting. Has been talking with Mike Hogan who indicates the \$50,000 we are looking at using for broadcast media advertising is not nearly enough. With Broadcast media, you can post in their “Community Service Announcements” for free, however, we would need someone to contact them to make sure the ads are created and broadcast.

He suggested purchasing advertising an ad package on Social Media such as YouTube, Facebook, Tik-Tok, Instagram, etc. targeted to a specific age range and geographic area.

YouTube and Facebook have similar programs (purchase a certain number of clicks for a specified dollar amount); generally runs \$500 to \$1,000. Mike shared the clicks only result in ½ of 1% of people going further than just looking.

With a social media campaign it is best to work with someone, hopefully someone in our organization, who already knows about that and would be willing to take control of it. They would need to contact the relevant radio stations to make arrangements, create the announcements, and make sure they are broadcast.

Mike also suggested we could direct folks to go to livelively.com to learn about square dancing or click on their “Where” link which could take them to squaredancemissouri.com and click on “Lessons” to see where lessons are being held; however, lessons scheduled have to be scheduled.

An ad campaign should focus on informing non-dancers about why square dancing is good instead of focusing on existing square dancers.

Caller Lab or Round-a-Lab: Merle Hall reporting. Caller Lab has begun working on revising their curriculum, but I don’t have any specific information.

Has not had any contact with Round-a-Lab yet.

Unfinished Business:

Springfield Multicultural Festival: Lee Gavitt, SW District President, reported he had contacted them and there are 2 events happening. One in August and the other in January 2026.

The first one is August 23, at 5:30. a fund raiser at Sacred Heart Catholic Church. They anticipate 200 to 300 people in attendance from the Springfield area and from all around the area. They have room for two squares so Kountry Kuzins is planning to go. Their

caller, David King, has agreed to call for the exhibition, however, he would like to receive \$50.00 for his time and setting up/taking down his equipment. Would the Federation be willing to cover the \$50.00?

Kountry Kuzins has a dance that afternoon until 4:30 and will be going to the church from there.

The second event is in January 2026 somewhere around the middle to the end of the month. Will be getting further information about that.

Cathy Hall made a motion for the Federation to cover the \$50.00 for David King. The motion was seconded and approved.

New Business:

Nominating Committee Report – Merle Hall: Liz Rooks would like to step down from the secretary's position at the end of the year. Have not been able to find anyone interested in filling the position. If you or someone you know would be interested, let Merle know.

Caller-Cuer Hall of Fame Nominations: No candidates have been submitted and the deadline has passed for submitting candidates. There will be no Hall of Fame Caller-Cuer this year.

Carolyn & Fred Goucher, chairman of the Member Services Committee, have received a request from the Rambler's for \$350.00 (half of the rental cost of the location of their lessons). All appropriate paperwork has been received. The request was approved.

She has also been contacted by one of the St. Louis Metro clubs regarding the information they need to submit for a request asking for financial assistance as they didn't understand what they needed. Carolyn thought it might help if someone were to read over our Standing Rules regarding this to make sure they can be easily understood.

Art Kruse, shared information regarding Trail Through Dances to celebrate the 100th anniversary of Route 66 leading up to the NSDC in Waco in June 24-27, 2026. Two legs of the dances; one starting in Los Angeles and the other in Chicago with the two legs coming together in Oklahoma City and going on to Waco. The group doing this would like help locating a possible dance location in St. Louis and Joplin since these are mentioned in the Route 66 song.

Special Funds Request Committee from Art Kruse for Drew McCoy to be reimbursed for his expenses to attend caller school. Request approved.

Merle Hall reported Dana Schirmer is planning to have a caller school with Jerry Junck in the Kansas City, Missouri area the third week of July 2026. Currently the closest

caller school to the Kansas City area is in Colorado and most of the others are in the NE part of the United States.

Merle made a motion that the Federation support Dana in some way in this endeavor (helping him find a place, finding financial support, etc.). After discussion, it was decided to table further action on this matter until the October meeting.

The next state board meeting will be October 12 in Cape Girardeau, Missouri hosted by the Southeast District.

President Shafer adjourned the meeting at 1:55 p.m.

Respectfully submitted,
Liz Rooks
