For Information Regarding Dancing in Mesa, Arizona - November Through March:

My calling career began as a senior in high school, and this year celebrates 60 years of calling. Obviously, I have cut back my summer travel schedule since Covid. However, during the winter, November through March, I provide a complete square dance program, teaching square dancing from Mainstream through A-2 at the Mesa Spirit and Silveridge Resorts. Each park has a large ballroom with wood floors and great sound. Both parks offer many other facilities, amenities, and recreations to satisfy everyone. Hope to see you either on the summer tour, or in Mesa, Arizona in the Valley of the Sun!!!
